

5 REASONS TO ATTEND

SeleniumConf

BERLIN

Save €100, buy your ticket before 24 September*

1. INVALUABLE LEARNING EXPERIENCE

Get inspired and improve your work performance with over 25 sessions on two tracks over two days:

- Documentation
- Selenium Grid
- Lean testing
- Selenium WebDriver
- Beta testing
- Web analytics
- Microservices testing
- Team motivation
- Automated accessibility testing

2. STAR SPEAKERS AND TUTORS

Our fantastic lineup was selected through a rigorous call for papers process to ensure a diverse range of the best speakers and workshop tutors from around the world.

Keynote speakers:

- Simon Stewart (*Lead Committer, Selenium Project*)
- Ashley Hunsberger (*Architect at Blackboard*)
- Katrina Clokie (*Test Practice Manager at Bank of New Zealand*)

3. NETWORKING OPPORTUNITIES

At the conference, you'll have plenty of opportunities to network with and learn from over 450 of your peers, including Selenium Committers, QA Managers and Automation Engineers.

4. WORKSHOPS

Upskill with our full-day practical workshops on 11 October (the day after the conference) hosted by our expert tutors.

- Getting Started with Selenium – *Andrew Krug*
- Selenium Grid – *Manoj Kumar*
- Mobile Automation with Appium – *Justin Ison*
- Fix a Bug, Become a Committer – *Jim Evans*

5. PARTY!

Relax and network at the Oktoberfest-themed party at SeleniumConf Berlin!

Enjoy craft beers (and soft drinks), food and entertainment after the talks on the first day of the conference.
